**11th Science Festival and
Meet the Scientists
Programme**

11th Science Festival & Meet the Scientists Programme was hosted on 5th and 6th October 2024, aiming to ignite a passion for science and inspire students to explore the wonders of the field. The event organized by the school's Science Club with the support of teachers, students, and esteemed scientists. Distinguished guests and renowned science teachers attended, with keynote speeches from **Dr. Debiprosad Duari** on the 'Indian Space Odyssey' and **Prof. (Dr.) Pradipta Panchadhayee** on the vital role of science in the world. These lectures were both inspiring and informative, providing students with valuable insights into potential careers in science.

The Science Festival featured a variety of exciting competitions, including PPT presentations, experiments, working models, paintings related to science, and science-based quizzes. This year, two new categories were introduced: Innovative Teaching in Science and working model using Artificial Intelligence & Robotics, which added an extra layer of enthusiasm for the students' eager. Visitors could get up close to the engineering marvel and watch the precision of its movements, and the scientific instruments it carries on board.

A Day with Mr. Barry O'Brien!

Contai Public School recently hosted a motivational session for students in Grades VI to XII, led by quizmaster, writer, and orator Mr. Barry O'Brien. With his charismatic and humorous style, Mr. O'Brien shared insights from his life journey and emphasized embracing failures as learning opportunities. He engaged students in interactive discussions, highlighting the importance of unique qualities and the Six C's mantra.

Yoga Prowess

The students of CPS show excellent performance in **the National level Yoga competition** organised by **CISCE** on 3rd and 4th October in Jamshedpur, Jharkhand amongst the participants from all over India.

Anewsha Maity of Grade VII secured **2nd position** in the category of Under 14 Girls Group

Subhashree Manna of Grade IX secured **3rd position** in the category of Under 17 Girls Group

Shounak Maity of Grade IX became **Group Champion** under 17 Boys category

Deepanjan Kar of Grade XI became **Group Champion** under 19 Boys category

Shounak Maity of Grade IX secured **4th position** under 17 boy's Individual category

Deepanjan Kar of Grade XI secured **3rd position** under 19 boy's Individual category

Mr. Barry O'Brien conducted a separate session with the CPS Quiz Team. He offered valuable tips on creating a quiz culture and sharpening quizzing skills. Both events left students feeling inspired and empowered, making the day a memorable one for all at Contai Public School.

Meditation Sessions

This practice is an on-going feature and benefits all students from middle school to senior sections. Students are initiated into a soulful prayer and Meditation session, conducted by Principal Sir. 'One Minute Silence' as an initiative to enhance concentration and relaxation of students is observed in the classrooms.
