

Dear all valued Stakeholders,

Another glorious feather has been added to the Crown of Mother CPS. This is the 12th recognition in row (2013-2024) by the 'Education World' a premier International Educational Magazine. We are excited for securing 8th Rank in India, 2nd Rank in West Bengal, and 1st Rank in Purba Medinipur in this year's Educational World's Super 40 Budget-Friendly Private Schools rankings!

Let's celebrate this success and strive for even greater milestones in the future!
